

HEALTHCARE

Western Arizona Regional Medical Center is one of two primary community healthcare provider for the River Cities area. WARMC is a 139-bed acute care facility offering the residents of the greater Bullhead City community inpatient, outpatient, diagnostic imaging, medical, surgical and emergency services. They focus on the power of people to create great care. One hundred ten healthcare professionals strong, this facility is home to the area's largest intensive care unit as well as a surgery center and wound care clinic.
